## Your October Compliance Update

### September PPERA Return

If you haven't already, please submit your September donation report by **10th October**.

Any problems, then email: [compliance@libdems.org.uk](mailto:compliance@libdems.org.uk) as soon as possible.

## Are You Data Protection Compliant?

Data Officers (or in their absence, Chairpersons) need to undertake the following please (thanks if you've already done this):

- [Checklist for Local Parties / Groups](#)
- [Training for Party Officers](#)

Do consult the [training guide](#) and email any queries to [data.protection@libdems.org.uk](mailto:data.protection@libdems.org.uk)

## Changes to Postage Stamps

You may have seen the new style of stamps which feature a barcode on the right-hand side.

Non-barcoded stamps remain valid for use until **31 January 2023**. Thereafter, they will be treated as insufficient postage.

If you're unable to use up your existing stamps in time, they can be exchanged for the new version through Royal Mail's '*Swap Out*' scheme - here's their [form](#).

(Special picture stamps and Christmas issues are still valid and don't require replacing. Future Christmas stamps will be barcoded whilst special stamps will remain in the old style.)

## Local Party Officers

Don't forget to update Lighthouse with any changes in your Executive following your AGM.

## October Compliance Clinic

Meet on **Mon 17th at 6pm** to discuss all things Compliance and Data Protection.

Simply email us for the Zoom link.
