FOR ALDE DELEGATION

After almost 10 years of working in policy in the Welsh Liberal Democrats and across the party – I'm running for ALDE Delegation to:

- ❖ **Promote cross border learning from international best practice – both policy ideas and campaign approaches**
- ❖ **Stand up for our liberal values**
- ❖ **Support new Congress Delegates and continue professionalising our delegations**
- ❖ **Be a strong voice for Wales**

POLICY EXPERIENCE

I have written, campaigned for, and passed policy at Welsh, Scottish, Federal, youth and international conferences – translating liberal ideas and solutions across a breadth of policy areas, including human rights, the environment, and public health.

INTERNATIONAL EXPERIENCE

Through work on LYMEC, IFLRY and ALDE Congress delegations I have:

- **Supported planning to enable strategic Congress engagement**
- **Scrutinised finances and governance systems**
- **Considered membership applications from organisations across the globe**
