

A COMBINATION OF INTERNATIONAL EXPERTISE WITH NON BINARY LIVED EXPERIENCE ON THE BOARD FOR THE FIRST TIME!

VOTE 1 for ADRIAN HYYRYLAINEN-TRETT

Why vote for Adrian?

Adrian has been a consistent, honest advocate for LGBTQ+ rights in this party for twenty years. He has chaired LGBT+ Lib Dems twice, and has been an elected representative on the Federal International Relations Committee for the past three years.

Adrian brings two unique abilities to the Board: firstly the knowledge of and connections to our international sister parties and their networks, and a perspective driven by internationalism, which is a key tenet of our party's values. Secondly, Adrian belongs to the wider trans and non-binary community and has always given a perspective from a lived experience which presently is missing from the wider board perspective. Allies are of course invaluable, but a lived experience brings an extra personal view to the discussion of sensitive topics at Board level.

Finally, Adrian always tries to act with integrity and honesty, and with the reputational factor of being a Board Member, openness about past life challenges means that Adrian must be ready to articulate those bravely in the public arena as recognition of that genuine journey.
