

RODERICK LYNCH

for Federal Board

As a Black disabled man and proud Liberal Democrat for **over 22 years**, I am standing for **Federal Board** to help deliver the **inclusive, representative, and action-focused** party we all believe in.

This is more than a candidacy it is a continuation of the work I have done for decades to transform how our party deals with **race, inclusion, and diversity**.

I am asking for your **1st Preference** vote so that I can keep doing this work on the **Federal Board**.

DIVERSITY.

INCLUSION.

LEADERSHIP.

RECORD OF ACTION. PROMISE OF MORE.

WE'RE BACKING ROD!

*I have known Roderick for many years now and have worked closely with him in his capacity at founding Chair of LDCRE. He has the **leadership** qualities, **passion** and **drive** to make a real difference on the **Federal Board** and **FCC**. He is getting my support! - Christine Jardine MP*
