

ARCHIE McCANN

for
FEDERAL COUNCIL

EXPERIENCED

I have spent almost **3 years** on Federal Council, and know how the body works and **what needs improving**.

PRINCIPLED

I will stand up for **liberal values**, **LGBTQ+ rights** and the voice of **party members**. The Federal Council must be a "**critical friend**" to the Federal Board, rather than being obstructive or deferential.

HARDWORKING

Too many people on Federal Council **don't turn up**. I promise to read **all papers**, turn up to **all meetings** where possible, and **actively engage** with the scrutiny of the Federal Board.
