

RODERICK LYNCH

for FCC

A **lifelong champion** of **racial diversity** within the Liberal Democrats, **Roderick Lynch** has worked tirelessly to promote **inclusivity** and ensure that **underrepresented voices** are **heard** at every level of the party. His work was recognised in 2019, when Roderick won the prestigious **Harriet Smith Award**, voted for by party members.

Beyond his political engagement, Roderick has built a highly successful business career, equipping him with **strong organisational** and **leadership skills** that translate directly into the **effective management** of complex projects.

With a proven track record of organising and facilitating large-scale events, he is exceptionally well placed to **contribute effectively as a member of the FCC** to shape **dynamic, accessible, and engaging** conferences for all party members.

A LIFETIME OF EXPERIENCE. ORGANISER. FACILITATOR. DOER.

Roderick opening London Summer Forum, in July 2024.

1. Helped to **facilitate** the London Summer Forum, earlier this year at Southwark College. Utilising a **network of contacts** built over years of work in the private and public sectors.

2. **Decades** of business experience **organising large scale** events and conferences.

3. A **lifetime** of work to ensure all voices are heard and **diversity** is taken **seriously** at all levels, in all places.

WE'RE BACKING ROD FOR FCC!

*I have always **valued** and **appreciated** Roderick's guidance. His voice is **needed** on both **FCC** to ensure our party continues to grow. - Victoria Collins MP*

*Roderick's assistance as I led the 2019 General Election review was **invaluable**. He has what it takes to bring a diversity of thought to **FCC**. Please support him! - Baroness Dorothy Thornhill*

*Roderick has been an **excellent advocate** for the Lib Dems for many years. I can think of no one better to sit on **FCC** to **help shape the future** for our party. - Sir Vince Cable, Former Leader of the Liberal Democrats*
