HUMAIRA SANDERS

EXPERIENCED - COMMITTED - VISION

EXPERIENCED

Liberal Democrat Campaign for Race Equality (LDCRE) Rep on FPC, member of London Region Exec and of English Council Exec. **Policy Officer** for LDCRE for last two years. Was on two Working Policy Groups in the past. Was Chair of Local Party for 3 years. **Responding to policy consultations** and at Autumn Conference I submitted eight **amendments to motions**. My career has been in fund management, so I understand **the economy** and how bond markets respond to policy.

COMMITTED

On FPC I have been a **consistent voice** for tackling race equality, explaining to FPC the reasons why this is important. Succeeded in improving process at FPC so our **policies** tackle racial inequality more effectively. **Experienced canvasser** so I understand the need for policy to resonate with voters.

VISION

Strong Liberal values mean a lot to me as a person from an ethnic minority background. The Preamble to the Constitution says “**We champion the freedom, dignity and well-being of individuals**” and this is at the core of my values. It drives me and I am determined to see this embedded at every level of the Party. I am utterly aghast at the rise of populism in mainstream politics. I will do whatever I can to help the Party to reverse this.

ENDORSEMENTS

Hina Bokhari AM, Liberal Democrat Group Leader of the London Assembly said, “Humaira has been a champion in our party in promoting the need to amplify diverse voices and reaching out to all communities. She is driven and motivated to make our party win by being a voice for all. She will be a fantastic addition to Federal Policy Committee.”

Roderick Lynch, Chair of LDCRE said, “Having worked alongside her over the past few years, I have seen first-hand her deep understanding of what the organisation needs when it comes to shaping policy. She has been a breath of fresh air for LDCRE, the London region, and the wider party. I believe she will be a highly valuable asset to the committee.”
