

# Peter Dobbs and Monty Stuart-Monteith

## The team working hard for Ashbourne North

Buxton Road

Air Pollution Hotspot

Peter and Monty are standing at one of the most polluted parts of Ashbourne. The only reason we know this is because of the tireless campaigning of local Liberal Democrats. Their efforts led to the declaration of parts of Buxton Road and St. John's Street as an Air Quality Management Area. They are now trying to ensure that appropriate measures are put in place to reduce the level of pollution.

'Build a bypass' is the Conservative mantra but the reality is that this valuable project is still unfunded and much as we might all want one, we need to deal with the reality of dirty air and heavy traffic in as many ways as we can. Tories seem to be remarkably blinkered in their approach to this issue. A Liberal Democrat controlled council will seek as many cost effective ways as possible to address air quality and pedestrian safety in our town.

A 'by-pass tomorrow' approach does not address the problems of health issues today.

## You have a clear choice on May 4th

### Liberal Democrats OR Conservatives

- Listen and get involved  
Accessible councillors who will respond to your concerns
- Ambitious but realistic goals  
A plan to build the right homes in the right places
- Keep you informed  
Regular newsletters and website articles and other digital media.

- Take you for granted  
Fail to listen to your changing priorities
- Overpromise and underdeliver  
Serco? A by-pass? Pedestrian safety? Less air pollution?
- Keep you in the dark  
Deals behind closed doors and leaflets only at election time

# The best choice for Ashbourne North

**Peter Dobbs**

Talk Tech' cafe in the Pavilion and a committee member of the Ashbourne and District 50+ Forum.

I am delighted to be campaigning on behalf of the Liberal Democrats for the area live in. I run a small business, employing local people. Previously I spent 10 years in the Army and then 5 years with big international companies before starting my own business in 1995. The area has been a wonderful spot in which to bring up the family and run a company. I have always been involved in the local community and interested in local politics. I have coached at Ashbourne Rugby club and chaired QEGS PTA. I have also been a Governor at Kniveton School and a Churchwarden in my village of Atlow

I am a retired chemistry teacher and moved to the area from the South West over 17 years ago. I have campaigned to have the air pollution problem in Ashbourne officially recognised and appropriate action taken. I have been involved in work to investigate the Serco 'bin crisis', address the problems of HGVs on Mayfield Road, provide better facilities in the Park and secure safe crossing points on Derby Road and Clifton Road. I am a member of St Oswald's Church, a volunteer with the 'Tea

# TWO VOTES for a team that works for Ashbourne North

Liberal Democrats work hard all year round, keeping the community informed about local issues through our FOCUS newsletters, letters to the Ashbourne News Telegraph and our website <http://dales.lib.dm> Residents tell us they rarely hear from other parties, except at Election time.

The Lib Dem Team across Ashbourne are united in their determination to represent residents' views and deliver improvements for the Town. Lib Dems will not sit quietly by when decisions are taken at Matlock that fail to take account of the needs of Ashbourne residents.

**The winning team for Ashbourne**

Vote for candidates who have the energy and ability to deliver a fresh vision for our town.
