The team working hard for Ashbourne South

The road to what?

According to the Local Plan, this road should lead to an attractive development of new homes together with community facilities and employment opportunities. The fact that even the road is currently not open and as yet the planning application has not adequately addressed issues like sports facilities and travel to school, speaks volumes about priorities in development. Lib Dems will continue to campaign for a master plan for the entire airfield site together with maximum scrutiny for what will undoubtedly be the most significant development in Ashbourne this century.

The best choice for Ashbourne South

Cllr Rob Archer

I live in Clifton with my family. I am Head of Sixth Form at a Derby school. To me, it feels like Ashbourne has started to fight back over the last 4 years with community groups such as the Town Team leading the way. It has been an honour to have been part of this fight back as a member of the main opposition party on the District Council.

I live in Ashbourne with my family. I have worked for Rolls Royce for many years as a Systems Engineer. I want to ensure that all future building is coherent and protects the Town's character. I believe that a well designed development can be an agent for positive change, helping create new houses, improve facilities and support local business.

Robin Shirtcliffe

I live in Yeldersley with my family and we all enjoy being part of local community life. Based out of Derby, I have worked as a successful accountant and project sponsor for Network Rail on many large-scale projects as well as day to day operations. I will bring the experience, skills and knowledge of working for government and finance to support Ashbourne to deliver what the people need.

THREE VOTES for a team that works for Ashbourne South

Liberal Democrats work hard all year round, keeping the community informed about local issues through our FOCUS newsletters, letters to the Ashbourne News Telegraph and our website <http://dales.lib.dm> Residents tell us they rarely hear from other parties, except at Election time.

The Lib Dem Team across Ashbourne are united in their determination to represent residents' views and deliver improvements for the Town. Lib Dems will not sit quietly by when decisions are taken at Matlock that fail to take account of the needs of Ashbourne residents.

The winning team for Ashbourne

Vote for candidates who have the energy and ability to deliver a fresh vision for our town.
