Your clear choice for the Matlock East & Tansley ward

Now is the time to elect councillors who will actively contribute to local decision making, standing up for Matlock, Tansley, Riber and Starkholmes.

Over the last four years Liberal Democrat councillors and campaigners have:

- ✓ Listened to and acted on your concerns and problems especially planning and housing
- ✓ Constantly challenged poor decisions by the Conservative run Council
- ✓ Lobbied for transparency in planning and more effective enforcement of planning decisions
- ✓ Been proactive in trying to protect our unique environment and landscape
- ✓ Kept in touch with residents through delivery of Focus newsletters, at least 4 times a year
- ✓ Campaigned for more affordable houses and for new developments to be on 'brownfield' sites, instead of using more green fields
- ✓ Helped many residents in their dealings with the District Council and housing associations

Vote for the Liberal Democrats on May 4th

Key issues to be resolved in the next Council:

- ✓ The conflict between the need for affordable housing for local people and the pressure housing puts on roads, drains, sewers and the countryside
- ✓ The need for higher value jobs in Derbyshire Dales
- ✓ Action on the climate emergency and lost biodiversity to safeguard our beautiful countryside and secure an attractive future for our children
- ✓ The delivery of a permanent sites for gypsies and travellers in accordance with the Local Plan

We will support proposals that resolve these issues and fight hard against ones that might damage our town and villages. The Liberal Democrats focus on the community and local issues. We ask for your mandate to continue to support Matlock, Riber and Tansley for the next four years.

I am standing for re-election having served Matlock, Tansley, Riber and Starkholmes for the last 38 years because of the unchanging need to express local residents' concerns and ensure fairness honesty and transparency. I am proud to have supported our community and it's residents regardless of political differences because I truly believe in Freedom, Fairness, Equality and treating people with respect. By re-electing me you will get honest, straight talking action and support from someone who cares about the beautiful countryside in which we live, work and raise our families.

Joanne Linthwaite Tel: 07779 028188

I grew up locally in Idridgehay and then worked as a counsellor with people struggling to find work through addiction, homelessness or a criminal record. After twelve years, I re-trained and taught or managed schools in Hong Kong, China, Indonesia and Lebanon. I returned to the UK in 2011 to be nearer my family and opened my own education centres in Matlock and Chesterfield. I have been a Parochial Church Council member in several parishes and am a Trustee of the Harrison Almshouse Trust. I am a firm believer in honesty, fairness and transparency and will bring those values to the role of councillor if elected.

David Hughes Tel: 07711 898080

I have lived in Matlock for over ten years after returning from living and working in the Middle East. Elected to Matlock Town Council and Derbyshire Dales in 2019, I was Matlock's mayor until 2021. I have been active over residents' issues including the Knabbhall Lane site in Tansley, Starkholmes allotments and village green, and in many planning disputes, holding developers to their commitments and challenging problems in their proposals. I have supported residents where they are unfairly treated and consider this to be the most important work that I can do as a councillor.

1 Building sustainable communities

... through energy efficient housing that meets local needs built in the right locations

2 Making the Dales even greener

... by reducing pollution and by promoting biodiversity and zero carbon technology

3 Creating a fairer more caring District

... by supporting local residents, community groups and businesses, and by making sure the Council delivers the services they need
